

AHRMM MEMBERSHIP BENEFITS:

CAREER ADVANCEMENT

AHRMM's [Career Resources](#) page is the home for information, services, and tools you need to manage your career and achieve your professional goals. Here you'll find the [Career Center Job Board](#), the [Professional Development Matrix](#), the [Compensation Survey Report](#), the [Mentor Match](#), and more.

NETWORKING OPPORTUNITIES

Did you know AHRMM has more than 4,300 members? Make some connections through the [Mentor Match](#), [AHRMM Connect](#), [LinkedIn](#), [Twitter](#), or face to face at the [AHRMM Conference & Exhibition](#), the leading education and networking event for the health care supply chain field. AHRMM offers [financial assistance](#) to qualifying members for attending the conference.

EDUCATION AND RESOURCES

The [Learning Center](#) is your one stop shop for all of AHRMM's educational resources, including eLearning courses, on-demand recordings, podcasts, webcasts, live webinars and other events. As an AHRMM member, you will receive free access to more than 70 live and on-demand webinars taught by leading experts, and significantly reduced rates on all other education.

You will also have a full access to the [Knowledge Center](#), with 300+ articles, white papers, reports, case studies, and other resources. Search by content area, tag, format or keyword to find the information you need.

CMRP CERTIFICATION

Distinguish yourself from the crowd with the nationally recognized [Certified Materials & Resource Professional \(CMRP\)](#) designation. The CMRP is conducted by the [American Hospital Association Certification Center](#) and is a leading credential based on sound assessment that provides distinction in an increasingly competitive marketplace. AHRMM members qualify for discounted CMRP exam fees, renewal fees, and resources available to help you prepare for the test. AHRMM also offers [scholarships](#) for receiving and renewing the CMRP to qualifying members.

ADVOCACY

Join the Cost, Quality, and Outcomes (CQO) Movement! [Visit the CQO website](#) to find case studies, leading practices, reports, and articles from your peers highlighting how

their organizations have embraced the tenets of the CQO Movement and brought about change within their facilities.

Be a part of the [Learning UDI Community](#), a broad-based coalition comprised of health care leaders across sectors whose goal is to develop a common understanding and approach to unique device identifier (UDI) adoption within the health care setting.
